Lecture Series I- Clinical Parasitology by PGIMER, Chandigarh

Convenor: Prof. Rakesh Sehgal

Sub Dean (Research) PGIMER, Head, Dept of Medical Parasitology

The President's Message

A warm welcome to the Academy of Clinical Microbiologists.

I am happy to welcome you to the new venture by the Academy of Clinical Microbiologists - Academic initiatives. This session is exclusively on parasitology by none other than the premier institution of the country namely Postgraduate Institute of Medical Education and Research, Chandigarh.

This is a new step we have taken to make parasitology more interesting.

I am sure that this will be a successful programme which will stimulate young Clinical Microbiologists to think deeply.

Also I would like to inform you this is just the beginning. We will continue with other topics from clinical microbiology.

Wishing you all the best and have a wonderful time. - Dr. S. Muralidharan.
