

ACADEMY OF CLINICAL MICROBIOLOGISTS - ELECTIONS 2023

It is a great opportunity to be an office bearer of the ACM and help in the promotion of patient friendly Clinical Microbiology. The following posts are vacant on the association committee. Join hands to strengthen the association by active participation with innovative ideas to take it to the next level. Please file your nominations before July 30th 2023 by filling the attached form and sending to the Secretary, ACM.

Traditionally the President's post gets filled by the current first Vice-president, 2nd vice-president becomes the First Vice-President and the Joint Secretary becomes the Secretary. Hence all these posts are filled as of now. Present editorial team wishes to continue. Only one Assistant Editor post is vacant. If more than one contender is there for the post the voting process will be carried out.
